Wyndham Destinations

Wyndham Destinations (NYSE: WYND) is a global hospitality company putting the world on vacation through its leading vacation clubs and membership travel groups. Wyndham Destinations believes in the power of vacations to help families create incredible memories of a lifetime, year after year.

With a vacation club resort portfolio featuring quality, flexibility, and value, Wyndham Destinations offers everyday travelers the spacious accommodations, resort amenities, and outstanding service that the Wyndham brand promises. Wyndham Vacation Clubs is the world's largest vacation ownership business operating 230 vacation club resorts around the world for the vacation needs of nearly 880,000 owners. The brand portfolio features Club Wyndham®, WorldMark® by Wyndham, Margaritaville Vacation Club® by Wyndham, and Shell Vacations Club.

Panorama was created as a new business line to manage the company's exchange, membership, and travel technology brands.

The Panorama business portfolio includes three areas of focus, including timeshare exchange companies [RCI®](#) - the world's largest vacation exchange network, [7Across](#) (formerly known as DAE), and [The Registry Collection](#); travel and leisure businesses [Love Home Swap](#), TripBeat, and [Extra Holidays](#); and leading travel technology platforms [@Work International](#) and [Alliance Reservations Network](#) (ARN).

Previously a part of Wyndham Worldwide, Wyndham Destinations separated from Wyndham Hotels & Resorts on June 1, 2018, and remains connected to the Wyndham Hotels family through Wyndham Rewards, a leading hotel loyalty program.

Year after year, a worldwide team of more than 15,000 associates delivers exceptional vacation experiences to families around the globe as they make memories to last a lifetime. At Wyndham Destinations, our world is your destination.

Vacation ownership and exchange is the best way for families to travel.

- **Own:** Through the Wyndham Vacation Clubs contemporary take on traditional timeshare, the company's vacation clubs — including [Club Wyndham®](#), [WorldMark® by Wyndham](#), [Margaritaville Vacation Club® by Wyndham](#), Presidential Reserve by Wyndham, and Shell Vacations Club — offer travelers the chance to own their vacation and explore places they've never visited before, year after year. Nearly 880,000 owners enjoy stays in a home away from home, featuring spacious suites with separate bedrooms, fully-equipped kitchens, living and dining areas, as well as resort-style amenities and services.
- **Exchange:** Timeshare owners from vacation resorts around the world can choose to exchange their ownership for a new view through [RCI®](#), the world's largest vacation exchange network, featuring thousands of resorts across the globe and 3.9 million members. For consumers who own a timeshare with a non-affiliated resort, they can still enjoy the benefits of exchange by using 7Across (formerly DAE). If they have a week of ownership, they can simply exchange it to get a week at another resort.
- **Swap:** The exchange network also includes another unique travel option, Love Home Swap, where members have access to 11,000 properties for home swapping all around the world. Members can choose to do a direct swap with another member, where they travel simultaneously to each other's homes, or they can agree to stay at others' homes at different times for increased flexibility.
- **Rent:** Through Extra Holidays, travelers can enjoy deals on great stays at Wyndham Vacation Clubs resorts around the world as the ultimate way to experience the benefits of a timeshare vacation before buying. Travelers don't have to squeeze into a standard hotel room on their next vacation — they can discover spacious suites, full kitchens, luxurious amenities, and other club benefits when booking a stay at a Wyndham resort.

PANORAMA™

In 2020, Wyndham Destinations created Panorama, a new business line to manage the company's exchange, membership, and travel technology brands.

Panorama delivers a broader perspective to the world of travel. The travel businesses under the Panorama umbrella — RCI, 7Across (formerly DAE), The Registry Collection, Love Home Swap, TripBeat, Extra Holidays, @Work International, and Alliance Reservations Network (ARN) — provide services to travel providers and their millions of members around the world.

The leading travel platforms powered by ARN are opening new opportunities for timeshare owners to use their exchange currency to travel all year with an abundance of new accommodation options.

panoramaco.com

RCI is the new shape of travel™. As the worldwide leader in membership travel services to the vacation ownership industry, the company offers the industry's leading vacation exchange platform to its 3.9 million members around the world, providing access to more than 4,200 affiliated resorts in approximately 110 countries. RCI Travel offers enhanced travel services allowing its members to flexibly travel year round.

BY THE NUMBERS:

- **3.9 million** members
- **4,200+** affiliated resorts
- Approximately **110** countries

HOW IT WORKS:

- **RCI Weeks®:** This works well for classic timeshare owners, who generally own a week at a resort. They can then exchange that week through RCI for a week at a different property.
- **RCI Points®:** In this points-based membership, an owner's interest in a timeshare resort is translated to points. The advantage is more flexibility — allowing owners to exchange for a single-night stay instead of a full week.

Love Home Swap

Love Home Swap, a members-only global home exchange program, was founded in 2011 and joined the Panorama family in 2017. The London-based company was inspired by the hit romantic comedy “The Holiday,” in which two strangers swap homes to escape heartbreak during the holiday season. Through the power of sharing, travelers can take affordable vacations by swapping homes with like-minded homeowners across the globe.

BY THE NUMBERS:

- More than **11,000 member properties** in over 100 countries
- Highly engaged **global community** of home swappers:
56% of the membership base are families | **42%** aged 55+ | **35%** of members own a second home
- Swappers save an average of **\$3,500** a year on the cost of vacation accommodations
- **40%** of members swap cars too as part of a home swap
- Members travel much more than the American average:
89% of members vacation two or more times a year | **36%** vacation four or more times a year

HOW IT WORKS:

- Members pay approximately \$132 per year to be a part of the program.
- Members can choose to do a direct swap with another member, where they travel simultaneously to each other’s homes, or they can agree to stay at others’ homes at different times for increased flexibility.
