RCI®

RCI, a vacation exchange program that began in 1974, has become the worldwide leader in vacation exchange with a unique portfolio of brands. It offers members the chance to enjoy flexibility and versatility when it comes to the vacation ownership experience. From the RCI Weeks program (a week-for-week exchange system) to the RCI Points system (the first global points-based exchange system), travelers can enjoy their favorite destinations across the globe.

BY THE NUMBERS:

- Approximately **3.9 million** members
- **4,300+** affiliated resorts
- **110** countries

HOW IT WORKS:

- **RCI Weeks®**: This works well for classic timeshare owners, who generally own a week at a resort. They can then exchange that week through RCI for a week at a different property.
- **RCI Points®**: In this points-based membership, an owner's interest in a timeshare resort is calculated in points. The advantage is more flexibility — for example, a timeshare owner can exchange for a single-night stay instead of committing to a full week.

Love Home Swap

Love Home Swap, a members-only global home exchange program, was founded in 2011 and recently joined the RCI family in 2017. The London-based company was inspired by the hit romantic comedy “The Holiday,” in which two strangers swap homes to escape heartbreak during the holiday season. Through the power of sharing, travelers can take affordable vacations by swapping homes with like-minded homeowners across the globe.

BY THE NUMBERS:

- **18,000** homes in 120 countries
- Highly engaged **global community** of home swappers:
56% of the membership base are families | **42%** aged 55+ | **35%** of members own a second home
- Swappers save an average of **\$3,500** a year on the cost of vacation accommodations
- **40%** of members swap cars too as part of a home swap
- Members travel much more than the American average:
89% of members vacation two or more times a year | **36%** vacation four or more times a year

HOW IT WORKS:

- Members pay approximately \$240 per year to be a part of the program.
- Members can choose to do a direct swap with another member, where they travel simultaneously to each other’s homes, or they can agree to stay at others’ homes at different times for increased flexibility.
